# HELLO

Hope Fuelled Design is a company, formed out of a team of artists providing digital services, based in Scotland, United Kingdom.

Our main purpose is to serve churches, christians and non-believers with creative designs that embody verses, practical lessons and truths of hope.

The company was created out of the desire of bringing hope by serving with the team's creative God-given gifts. With over 44.2 million social media users in the UK, we want to enable churches to creatively reach their members but also the communities around them.

## ILLUSTRATIONS

Our work is inspired by our journey of faith and the verses in which we find hope. We believe that it is important now more than ever to spread the message of hope that we have found in Jesus.

Our creative team regularly create artwork, and animations, based on inspirational bible passages which you are welcome to share on social media or keep in your wallet just in case.

For in hope we were saved. Now hope that is seen is not hope. For who hopes for what he sees? But if we hope for what we do not see, we wait for it with patience.

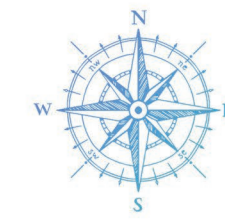

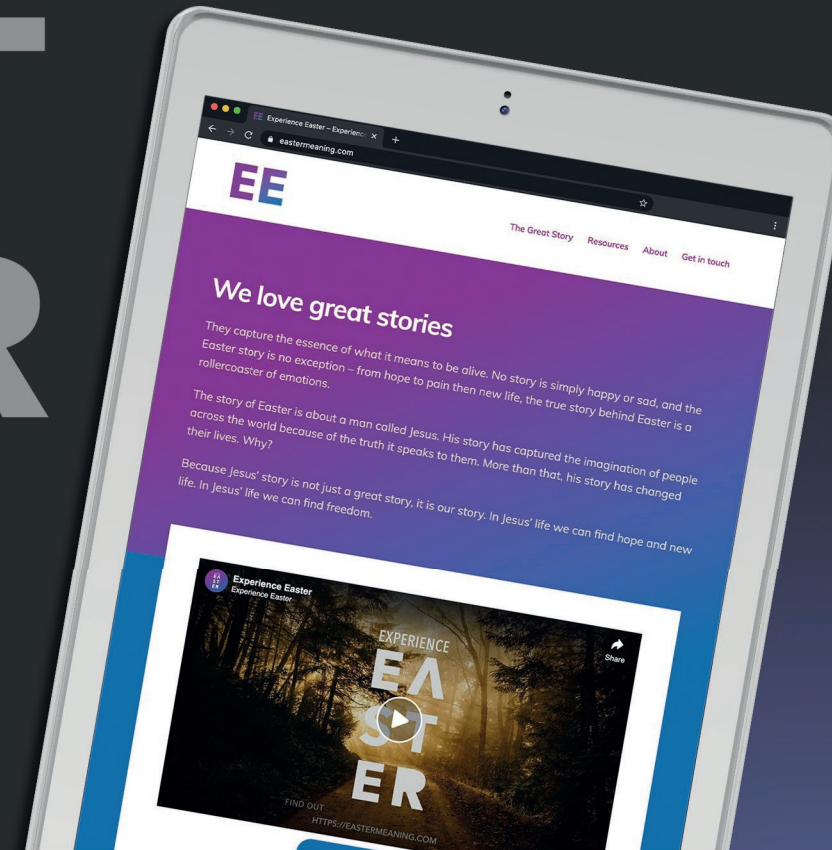

**Romans 8:24-25**

Hopefuelled Design was created so that the best creative talent can create a wide range of resources so that you do not have to. From printable material, social media assets to videos we will ensure you have everything you need to spread the Good News of the season.

*Jesus, as he prepared for his death on the cross, demonstrated a certain sense of anxiety and loneliness as he spoke with his Father. He understands.*
